Consortium 1

Consortium 1

- Requirements Document
 - ETH, Uni and St Peterburg
- API and Consortium Doc
 - ETH and Uni
- Implementation
 - ETH and Uni
- No reply from St Peterburg
- E-mails sent: 2

- Requirements Document
 - ETH and St Peterburg
- API and Consortium Doc
 - ETH and St Peterburg

- Implementation
 - ETH

- No reply from St Peterburg after Consortium
- E-mails sent: 20

Consortium 2

- Requirements Document

- ETH - Odessa joined later

- API and Consortium Doc

- ETH and Odessa

- Implementation

- ETH and Odessa

- E-mails sent: 2000000000000000000000

- Skype, Wikis, Forums, etc

Implementation

Eiffel

Eiffel

Java

Consortium 3

Why outsourcing projects fail?

- Lack of communication
- Partner never answer your e-mail
 Call them!
- E-mail sent: waiting 25 days for a reply
- Contracts are broken
- No win-to-win conditions
